Foreword by Jane and Mozi Nami

"It is difficult to be original when writing a Foreword for the Feast programme as everyone who is asked is delighted and honoured. We are no exception and feel very privileged to be given this special responsibility.

The Feast epitomises everything about this village: fellowship, friendship and fun; but we must remember all the hard work that goes on behind the scenes to make the Feast weekend such an enormous success.

Our thanks go to all the organisers and participants who always give their time creating a weekend where there is something for everyone. In fact, each year the events and entertainment get better and better. We look forward to sharing an action packed Feast weekend in our truly special village and wish all those involved a much deserved success.

The Feast & Hampsthwaite

Even the Saturday rain did not dampen our spirits last year and, following the strange weather at the start of this year, we must be odds on for a great sunny summer weekend!

As in previous years we have a full programme of activities and entertainment to ensure a great occasion for you and all your guests. Feast Sunday has grown from a small beginning into a major Feast occasion. This year we not only have Birds of Prey from the famous Sion Hill centre in Thirsk and a return visit of a WW2 Spitfire, but also a display by a Hawker Hunter - co-piloted by our own Alan Stevenson!

Feast organisers continue with our aim to do something for the Feast, something for the village and something for the world. Feast Engineering, with support from Martin and Pauline Weston, Tony Cox and ILS Ltd., have created a new Feast Queen trailer. For the village; we have made more flower troughs and built Feast Bridge to provide access to the new Play Area. It will be interesting this year to see how this development creates new possibilities for Feast Sunday - one change already is that the Dads v. Lads football match will now kick off at 12.00 noon on the new pitches.

Your generosity and the sponsorship of key individuals last year enabled us begin 'Feast for Africa' and to send Trish Fenwick off to Kachale to begin the work of creating a new village for the displaced people there. On page 4 you will find an update from Kachale.

This year, we will be devoting the main Saturday Raffle to the Feast for Africa cause, so please, please continue to give generously.

As ever, none of this is possible without your full support. Come along, enjoy yourselves and help us continue this as a great annual treat for all of us, our friends and our families. Our planning meetings are open to all and very informal - some would say chaotic! Why not also join us at our AGM this Autumn and help us prepare for next year? You would be most welcome - see the web site for details.

Kachale Village Update

The village of Hampsthwaite is really making a difference in Africa.

There's a small village of tragically displaced families in Zambia. But with the generous support, from your Feast last year, 250 men, women and children have been given a better chance. They are rejoicing as secure homes are being built for them in the new Kachale Village site.

Food crops are flourishing in freshly tilled land and the children look forward to having their own village school before too long. A clinic on site is also planned and it will much reduce a huge amount of their suffering.

The 2006 money from Hampsthwaite will provide a classroom, resources and help pay a teachers salary. It is with hope in their hearts, at last, that Mumba, Moses, Inonga and Ruthie all thank you for your continued interest and support. I wish I could bottle some of these children's song and laughter for you to share.
